

Vengaboys, We Like To Party

We like to party
We like, we like to party
We like to party
We like, we like to party
We like to party
We like, we like to party
We like to party

I've got something to tell ya
I've got news for you
Gonna put some wheels in motion
Get ready 'cause we're coming through
Hey now, hey now, hear what I say now
Happiness is just around the corner
Hey now, hey now, hear what I say now
We'll be there for you

The Vengabus is coming
And everybody's jumping
New York to San Fransisco
An intercity disco
The wheels of steel are turning
And traffic lights are burning
So if you like to party
Get on and move your body

We like to party
We like, we like to party
We like to party
We like, we like to party

Hey now, hey now, hear what I say now
Happiness is just around the corner
Hey now, hey now, hear what I say now
We'll be there for you

The Vengabus is coming
And everybody's jumping
New York to San Fransisco
An intercity disco
The wheels of steel are turning
And traffic lights are burning
So if you like to party
Get on and move your body

We like, we like to party
We like to party
We like, we like to party
We like to party
We like, we like to party
