Let's think about

Let us now think, for a moment about we of Israel  
And are you one of us, here is how you can tell  
In your life, if you daily to the throne do bring  
Your living sacrifice, and allegiance to the King  
More than just some word, and perfect I know far from we are  
But yet you desire to be in His will, and His word and to Him

You Will Bow

But now, there's another side, a thought that's not so cool  
There are those of you, who play the satanic fool  
You mock and curse, and think that you will get away  
But you will have to face the fact the scripture states, and it is

You Will Bow

Turn now, because you will soon have to anyway  
As to your savior or your judge, and you'll obey  
Every knee shall bow, every tongue confess, that Jesus Christ is Lord  
To His Holy righteousness you see, one way or another  
Don't forget
