## Veni Domine, Face Of The Prosecutor

When The Storm Is Rising You'll Se Him Coming

Through The Night

Dressed In White With Golden Rain In His Hands

You'll Feel His Whisper Touch You Like Kisses From The Wind

You'll Know That Voice Heard So Many Times Before

"Look Into My Eyes

I'm Eternity

Give Your Soul To Me

I'm The Future"

He's Speaking Words Of Wisdom With Great Authority

You Can't Escape When He Invites You To His Table

" Please Be Seated Don't Be Afraid I Will Show You All My Secrets "

You Can't Stop Yourself From Tasting His Wine

Don't Fall Asleep When The Darkness Comes

Things Are Not Quite As They Seem To Be

Lost In The Chains Of Mortal Sin

You Try To Escape But You Cannot Break The Bonds

Just Like A Wheel Sinning Round And Round

He Will Return As A Prosecutor - So Beware

He Wants To Steal Your Soul

Kill And Destroy

He Knows His Time Is Short

Don't Look Into His Eyes

Long Ago He Was An Angel Once He Was The Keeper Of The Light

Blinded By The Power

He Wanted To Raise A Throne Above The Stars Of God

How He Fell From The Sky Son Of The Dawn He Who Once

Laid Low The Nations

Was Brought Down To The Grave

You Drank The Maddening Wine So Sweet But With A Bitter Taste

It Turned To Poison And Made You Lose Your Mind

But At The Blood Red Altar Of The Sacrificial Lamb

The Serpent Lost Possession Of Your Soul

Don't Fall Asleep When The Darkness Comes

He Never Leaves You. He's Always There

Look At His Eyes What's Behind The Mask

He's The Deceiver

Don't Fall Asleep When The Darkness Comes

He Never Leaves You. He's Always There

Look At His Eyes What's Behind The Mask

He's The Deceiver Condemned By The Woman's Seed

His Head Will Be Crushed

At The Cross These Words Came Alive For Us All

Fall, Fall From The Sky Son Of The Dawn
