

# Veni Domine, In The Day Of The Sentinel

He Came As A Child, Into A Tired World  
After All The Years Of Despair  
Just A Child, But There Was Something In His Eyes  
He Was The Son He Was The Lamb, Ready To Be Sacrificed  
I Saw A Man, Blood Ran From His Face  
A Simple Man, As The Led Him Up To Calvary  
But Did They Know The Reason Why  
To Save The Poor Who Seek Their Solace In The Dark  
Just Sign Your Name  
Just Sign Your Name Into The Book Of Life  
Don't Hesitate  
Don't Be Afraid Of The Shining Into The Sky  
Sentinel, Sentinel  
Your Kingdom Will Be Veiled Without Your Name  
Sentinel, Sentinel  
You're The One Who Lead Us Through The Gate  
He's The Son - People Receive Him  
He's The Son - People Come Near Him  
He Came As A Child Gentle As A Dove  
But In The End He Will Return As A Lion  
Can't You Hear The Call  
Of The Angels  
Hosts Of Adonai  
O Kingdom Rise  
Kingdom Appear On The Horizon  
I Feel He's Near  
The Sentinel Has Come For His Own  
Sentinel, Sentinel  
Your Kingdom Will Be Veiled Without Your Name  
Sentinel, Sentinel  
When The Morning Comes You Will Return  
See The Sky, See The Sky  
I Can Feel Your Presence Near  
Sentinel  
You Will Descend From Above
