

# Venice, Circle Of Life

The great circle of life

Have you ever seen the glory?  
Have you ever seen the end?  
Take some time to tell your story  
Turn around and life begins again

Walk the line that lies before you  
We are marching in the wind  
Soldier falls and soldier takes his place  
Turn around and life begins again

Take some time to find the roses  
Take some time to drink it in  
Make your mind up, full of choices  
Turn around and life begins again  
The great circle of life

Mr. Moon is slowly rising  
Let's us know the world still spins  
Someone's buried, someone has been born  
Turn around and life begins again

(Chorus)

Over and over and over and over and over and over and over  
On and on and on and on and on
