

Venke Knutson, Is It How It Is

You get up in the morning
Put your clothes on
You tell me you have to go
You get up in the morning
And tell me that you love me
Why so selfish, I don't know

Is it how it is then tell me
Is it how it goes then show me
Is it how it feels then leave me
Cause I need to know
Where you go from here

Is it how it is then tell me
Is it how it goes then show me
Is it how it feels then leave me
Cause I need to know
Where you go from here

Where you go
Where you go from Here

I see you every evening
Your smile's so fake how can this be
Is it you or is it me
You decide the weather
And how my day's supposed to be
You recognise my enemy

Is it how it is then tell me
Is it how it goes then show me
Is it how it feels then leave me
Cause I need to know
Where you go from here

Is it how it is then tell me
Is it how it goes then show me
Is it how it feels then leave me
Cause I need to know
Where you go from here

Now where you go
Where you go from Here

You can stay or you can run away
But you'll be mine
As long as you don't leave me

Is it how it is then tell me
Is it how it goes then show me
Is it how it feels then leave me
Cause I need to know
Need to know

Is it how it is then tell me
Is it how it goes then show me
Is it how it feels then leave me

Is it how it is
Is it how it goes
Is it how it feels

Cause I need to know

Is it how it is then tell me
Is it how it goes then show me
Is it how it feels then leave me

Cause I need to know
Where you go from here
Now where you go
Where you go from here

Now where you go
Where you go from here
