

# Venom, Resurrection

Lies -  
Body languages fight  
Feel the rush as you die  
Then your soul comes alive

If you open your mind  
To avoid all confusion  
Carnal instincts unwind  
Animal resurrection

Cries -  
Pain & pleasure unite  
Feel the rush as you sire  
Then your soul comes alive

All the reasons you find  
Will be your contributions  
Metabolic distortions  
Satanas resurrection

If you open your mind  
Resurrection
