

Venus Diode, Casino Confidence

Let your cold body move
into the beat of this neon groove.
Let the floors shiver and shake,
let these walls reincarnate.

There's nothing that you wouldn't do.
Let your cold body move.
Let your feet dance and move,
into the beat of this disco groove.

Don't let the floor wait to be discovered,
watch the walls, reincarnate.
Tell me what you are going to do.
