

Venus In Flames, Whole New Me

Lover rest your tired head
Against mine tonight
It's been a while
It's been a while
But we just had another fight

Can't you see that all I want is to be happy again with you

I miss your warmth
I miss your cool
The way that you spoke of things
So lift me up off the ground upon your fragile wings

Can't you see that all I want is to be happy again with you

Can't you see that I'm a changed man
That I've learned from my mistakes
I will never be the same man
I used to be
It's a whole new me

Can't you see that all I want is to be happy again with you
