

Venus, Perfect Lover

I can wear a sexy dress
And high-heeled shoes
And I like the high class
Of an english suit
I love sex and tenderness
I've a lovely ass
And my breasts are unisex
Switch me on and test

I wanna be your mannequin
I can help you unwind
And if you're not satisfied
Just leave me behind
I love cars and elevators
Bathrooms and planes
I love speed and slow-motion
I wanna dislocate your brain

Take me once, take me twice
I'll be your man
And I'll be your woman
Take me once, take me twice
I'll be your man
And I'll be your woman

I can wear a sexy dress
And high-heeled shoes
And I like the high class
Of an english suit
I love sex and tenderness
I've a lovely ass
And my breasts are unisex
Switch me on and test

I'm sweet, violent, vicious and hot
And whatever you want
I'm a sucker, a perfect lover
I'm a fucking bitch

Take me once, take me twice
I'll be your man
And I'll be your woman
Take me once, take me twice
I'll be your man
And I'll be your woman
