

# Vera Vuitton, Be Bad

Oh  
Yeah Yeah

I'm the baddest bitch you've ever seen  
Don't need glitz and glamour to watch me gleam  
I'm a classy girl that's nastified  
The type of girl to set your heart on fire

Oh yeah

Ah ha ha  
If myspace could let me be in nude  
Fuck the haters there so damn rude  
So sick of being hurt and tortured now I just want to

Be bad  
I wanna be bad  
Be bad  
I want that hot sweet sexy lovin'

Repeat x2
