## Vera Vuitton, Be Bad

Oh Yeah Yeah

I'm the baddest bitch you've ever seen Don't need glitz and glamour to watch me gleam I'm a classy girl that's nastifed The type of girl to set your heart on fire

Oh yeah

Ah ha ha If myspace could let me be in nude Fuck the haters there so damn rude So sick of being hurt and tortured now I just want to

Be bad I wanna be bad Be bad I want that hot sweet sexy lovin'

Repeat x2
