

Vera Vuitton, Can't Stop Me

I've been doing this for awhile now
Needed no help since
I don't need your approval
What I feel just makes sense
I listen to my heart only
Cause I know it's the truth
Had my feelings locked away inside
I've evolved
I'm in the mood

Yeah

You tell me this
They tell me that
And im so confused
I've got a good job
Look what i've become

(dont u dare try to stop Vera Vuitton)

Oh yeah
You can't stop me
Oh yeah
You can go ahead and hurt me babe
Me you never can
And never will stop me

(Repeat) x2
