

# Vera Vuitton, Jokes On You

Once there was love and I was a fool  
Once there was us but it was all about you  
I was too blind to see it  
Then I woke up and I came down  
It was only a dream cause you were not around  
(not around not around)  
you had me feeling I was crazy  
ohh with out a doubt  
baby

Every time you sold me one of yours lies  
and every time you can not look in my eyes  
you told me what I knew ohh baby  
cause every time you thought I would be true  
but every time you played around I did to  
baby now I guess the jokes on you

Once there was trust now there's no more  
enough is enough I am walking out the door  
don't try to stop me baby  
it could have been good, it could have been right  
it could have been me always by your side  
ohh right by your side right by your side  
but now you'll never have this again  
and I I'm feeling sorry for ya  
Baby

Every time you sold me one of yours lies  
and every time you could not look in my eyes  
you told me what I knew ohh baby  
cause every time you thought I would be true  
but every time you played around I did to  
baby now I guess the jokes on you

Love was all I need but no  
you couldn't give enough  
no way no it's time for you to watch the show  
hows it feel knowing I did you wrong (oh baby)

Every time you sold me one of yours lies  
and every time you could not look in my eyes  
you told me what I knew ohh baby  
cause every time you thought I would be true  
but every time you played around I did to  
baby now I guess the jokes on you
