

Vera Vuitton, Somebody Take The Pain Away

Here comes the pain again
Breaking up my heart it's a tragedy
Breaking up my heart, it's the worst emotion
Here comes the pain again

I had my feet on solid ground
Was doing fine 'till you came back around
Boy, all your promises are lies
No
I don't know why, why I waste my time

Somebody take the pain away
It's hurting my heart and I can't take it
Somebody take the pain away
Get out of my life or I'll go crazy
Crazy, crazy.....ohh oh

You wouldn't give me back my life
Taking the wrongs and trying to make 'em right, right
You're too pathetic for my love, oh oh
You played your games
And boy I had enough of you
Messin' with my head
All the things you said
Running back to me
Telling me your dream
I never wanted it to be this way
The pain is killing me
Gotta set you free

Somebody take the pain away
It's hurting my heart and I can't take it
Somebody take the pain away
Get out of my life
Or I'll go crazy, crazy, crazy
crazy, crazy, crazy.....

(Here comes the pain again)
Here comes the pain again
Breaking up heart, it's a tragedy
Breaking up my heart, it's the worst emotion

Mmm, ooh, mmm..

Here comes the pain again
Breaking up heart, it's a tragedy
Breaking up my heart, it's the worst emotion

Somebody take the pain away
It's hurting my heart and I can't take it
Somebody take the pain away
Get out of my life
Or I'll go crazy

Here comes the pain again
Breaking up my heart it's a tragedy
Breaking up my heart, it's the worst emotion
Here comes the pain again

Ohhh..
(Here comes the pain again)
Ohhhhh..
(Breaking up my heart, it's a tragedy)
