

Verbena, Bang Bang

ive got paranoia two way mirror crime
weve got ? culture red and black and white
shes got a plastic boyfriend make him fake inside
every girl and boy are playing in the sun
hey

bang bang we're gonna kill the king
bang bang we're gonna kiss the queen
bang bang we'll hold hands and sing
bang bang we're gonna kill the king
uh huh

if you feel this privelege you should be alive
roll your eyes and kill this town and kiss the plastic sky

bang bang we're gonna kill the king
bang bang we're gonna kiss the queen
bang bang we'll hold hands and sing
bang bang we're gonna kill the king

we're gonna, we're gonna kill the king, we're gonna, we're gonna kiss the queen, we're
gonna, we're gonna laugh and sing, we're gonna, we're gonna kill the king
we'll dig a hole where the pretties go and say you cant when you know you can
well

hey.. ho.. my heart pounds
