

Verbena, Hey, Come On

hey, yeah, come on get in the car (X2)
this song goes out to no one but me
but ill try just to sing a little harder
hey, come on get in the car
dont you wish that we could go for a ride, well
hey, come on get in the car
do you wanna bet
its the same your words

another guess that youre gonna get smarter
this song goes out to no one but me
but ill try just to sing a little harder
yeah yeah
hey, come on get in the car
dont you wish that we could go for a ride, well
hey, come on get in the car
do you wanna bet
hey, yeah, come on get in the car
hey, yeah, come on get in the car
