## Verbena, John Beverly

no matter how cold it seems youre my hell now? no matter how cold it seems youre my hell now? this place will never stop it burned this town its a shot underneath your level skin monkey see as monkey do shot got a dollar for a sin shot youre so pretty when you sleep taste your poison skin get you in yea get you in taste your poison skin get you well now get you well now this place will never stop it burned this town its a shot underneath your level skin monkey see as monkey do shot got a dollar for a sin youre so pretty when you sleep this place will never stop it burned this town its a shot underneath your level skin? shot monkey see as monkey do shot gotta give it gotta get a shot youre so pretty when you sleep youre so pretty when you sleep
