

# Verbena, Kiss Yourself

lick yourself  
til youre all cause you cant stop  
and kiss yourself  
with a gun so it all stops  
why did you deal  
try to new boy?  
why did you say  
got a bad toy ?  
what did you heard  
from your magazines  
kinda dead boys  
kinda dead scenes  
lets just pretend that we're real  
shitbrother looks how/like he feels  
lets just pretend that we're real  
lets just pretend that we're real  
lick yourself  
til youre all cause you cant stop  
kiss yourself  
with a gun til its all stopped  
why did you do it
