

Verona, Stay with me

Baby stay with me stay with me
Till the morninglight
Stay you'll be loving me
Through the night
Darling thanks for the wonderful time
Thought I never love again
What I should to word that you are mine
Now my darling can't let you leave me this way
Hope that you will understand
Tonight I'm really glad I make you stay
Baby stay with me stay with me
Till the morninglight
Stay you'll be loving me
Through the night
Baby stay with me stay with me
Love me hold you tight
Promise me you make me
Feel alright
Exciting can't wait to wake up with you
I will sleep with open eyes
Just to see your face that hold my true
I'm exciting wish you were here every day
We will be in paradise
Now I really know you have to stay
Baby stay with me stay with me
Till the morninglight
Stay you'll be loving me
Through the night
Baby stay with me stay with me
Love me hold you tight
Promise me you make me
Feel alright
