

Veronica Glapa, In lovin' memory of

There was a time , when you held me tight
W you took my hand swore its alright
There was a time when
Ive been lookin around I saw your face , felt your warm embrace
Refrain:

I miss you, I miss your smile
I know youre in better place
I know cuz im older than then
But

I miss you and I count all my tears
And Im singing that song
Espacially for you
In lovin memory of

There was a things when we used to do together
There was a games we used to play one and one
There was a dreams , that you soon came back
But you closed door , never opened again

Refrain:

I miss you, I miss your smile
I know youre in better place
I know cuz im older than then
But

I miss you and I count all my tears
And Im singing that song
Espacially for you
In lovin memory of
