

Versaemerge, Moments Between Sleep

Here the seasons don't exist a summer held in hand.
Rest while locks melt from our door again.
Still I know we speak to not forget...
We were all so undone that we couldn't think of one...
My eyes won't seem to close I don't want to see it go.
It's amazingly strange...
In this cities callowness we've lost our innocence.
Cheek to cheek but my maps are changing...
Oh don't forget.
We were all so undone that we couldn't think of one...
My eyes won't seem to close I don't want to see it go...
It's amazingly strange, how we all seem to change...
Cause we were all so undone... I'm gone.
Shooting moons from the sea wall...
Rattle the ocean till it falls...
I don't know who you'll be...
