

# Versailles, Little Dead Kitten

Oh little kitten,  
Sitting alone on the side of the road,  
Don't you miss the good times you had,  
When you didn't feel so bad,  
And you ask me why are we here,  
And you ask me why am I here,  
I don't know, I don't know.  
And what will you do,  
When others come to visit you my friend,  
Will you forget every lesson you've learned,  
When you're down is that what you prefer.  
And you ask me why are we here,  
And you ask me why am I here,  
I don't know, I don't know.  
And don't you look down,  
As the rain splashes all around you,  
Look up to the sky,  
And see where your destiny may lie.  
Little kitten, Little dead kitten.
