

Vertical Horizon, All Of You

So you say
I'm too quiet
Holding things
Up in my head

I say so much
But you don't buy it
I don't want to wake up
Alone in my head

Say that you'll never go now
don't go don't go

CHORUS
I need a lot of you
I want a lot of you
I need a lot of you
All of you

I tend to think
I'm getting nowhere
I drag it out
Whenever I can

Someday
I'll get back there
And find the world
You dropped from your head

Oh but some things you'll never show now
I know
I know

CHORUS

Watch you coming up
Out on top now
Watch you coming up

CHORUS
