

# Vertical Horizon, All Of You

So you say  
I'm too quiet  
Holding things  
Up in my head

I say so much  
But you don't buy it  
I don't want to wake up  
Alone in my head

Say that you'll never go now  
don't go don't go

CHORUS  
I need a lot of you  
I want a lot of you  
I need a lot of you  
All of you

I tend to think  
I'm getting nowhere  
I drag it out  
Whenever I can

Someday  
I'll get back there  
And find the world  
You dropped from your head

Oh but some things you'll never show now  
I know  
I know

CHORUS

Watch you coming up  
Out on top now  
Watch you coming up

CHORUS
