

Vertical Horizon, Goodbye Again

I'm on the outside looking in
What do I see
so much of this left to begin
Where would I be
I'm on the outside looking in
Cover me through this night

I guess I don't know what's left to say
Hear me out
All of the dreams of yesterday
keep breaking me down
What's on the outside
can you say?
Am I getting carried away

Chorus
It's in your mind
It's in your eyes
So it's goodbye again
It's way past time
for one last try
So it's goodbye again

Goodbye again...

I'm getting on
what's the use?
You know how I get
I can't decide which is the truth
at least not yet
I got the feeling that it's you
what can be said alone in this room?
And now...

Chorus

Who wants you now?
Maybe somebody else
I'll wait around
Maybe you'll forget
you were never here
Maybe forget
you were never, never, here...

I'm on the outside looking down
What do I see?
So much of this cold in the ground
Where would I be?
I'm on the outside looking down
Cover me before you go...

Chorus

You're falling out
I'm falling in
so it's goodbye again

It's way past time
for one last try
so it's goodbye....
