

Vertigo Angels, Angel Vertigo

your grace it burns too brightly too brightly to be true
i burn myself in servitude in servitude to you
i'm not scared to lose possession
i'm just scared to catch my face reflected inside you
'cause angel vertigo loses the day and angel vertigo loses her way
'cause climbing high leaves you further to fall and angel vertigo's scared of it all
you may not even stay
i'm surfing at your altitude my wings make their debut
you touch me in my solitude when i'm away from you
i'm not scared to lose possession
i'm just scared to catch my face reflected inside you
'cause angel vertigo loses the day and angel vertigo loses her way
'cause climbing high leaves you further to fall and angel vertigo's scared of it all
so do whatever you want to 'cause i feel it i can understand you
do whatever you want to 'cause i feel it i can understand you
do whatever you want to want to want to want to want to
'cause angel vertigo loses the day and angel vertigo loses her way
'cause climbing high leaves you further to fall and angel vertigo's scared of it all
angel vertigo's scared of it all
