

Vertigo Angels, Terminally You

it's never easy for me to change your mind
you're a whirlwind and i lose my time
we're in a loop like loop like on eternal strike
it's all i can do to keep this castle standing
i fight it so hard but i'm terminally me
you fight it so hard but you're terminally you
so what's a girl to do?
when i'm terminally me and you're terminally you
you're never simple i try and read you mind
you're very distant you're floating out of time
and i can't reach you reach you from this world of mine
we're in a loop like loop like on eternal strike
it's all i can do to keep this castle standing
i fight it so hard but i'm terminally me
you fight it so hard but you're terminally you
so what's a girl to do?
when i'm terminally me and you're terminally you
yet i'm missing you so
yet i'm missing you so
yet i'm missing you so
i'm terminally you
i'm terminally you
i fight it so hard but i'm terminally me
you fight it so hard but you're terminally you
so what's a girl to do?
when i'm terminally me and you're terminally you
i fight it so hard
you fight it so hard
so what's a girl to do?
when i'm terminally me and you're terminally you
when i'm terminally me and you're terminally you
