

Veruca Salt, All Hail Me

Yeah-ah-ah-ah-ah
So sorry lady, so sorry now
I've killed your baby
I don't know how
So sorry, so sorry now
So sorry, so sorry now
So sorry mister, but don't look now
I've got your sister
I shot her down
So sorry, so sorry now
So sorry, so sorry now
Cause I'm a bad man, I do what I can.
I'm a bad man, I do what I can
I'm a bad man, I do what I can
All hail me
So sorry mother
I've let you down
I'm soaked in blood here
I can't get out.
So sorry, so sorry now
So sorry, so sorry now
So sorry, so sorry now
Cause I'm a bad man, I do what I can.
I'm a bad man, I do what I can.
I'm a bad man, I do what I can.
All hail me.
Ha, ha, ha, ha, ha, ha
All hail me.
