

# Vesna Pisarovic, Everything I Want ( Eurovision 2002 )

Since you came into my life  
I've been touched by happiness  
I feel love is all around  
cause there is no more loneliness  
And there's one thing  
That is true  
You should know how much  
I love you  
Love is everything I want  
Love is everything I need  
Thinking of the day we met  
It was a sign of destiny  
Love is everything I want  
I believe in you and me  
Let me show you what I feel  
Because my love is real  
The girl I was I left behind  
Incomplete and insecure  
Now I got you on my mind  
And I feel like I've been cured
