

# Vetiver, Belles

Bells will chime  
Miles appear  
I can't heed them all

Two eyes  
Less than two eyes  
Is more than enough to know  
When to leave  
Why to stay  
How to keep away

Now feels like forever  
Once it goes away

Bells will chime  
Miles appear  
I can't heed them all

Two eyes  
Less than two eyes  
Is more than enough to know  
When to leave  
Why to stay  
How to keep away

Now feels like forever  
Once it goes away
