

# Vex Red, Vow

come back  
i'd love to hold you  
they will try to cut me down  
and its all

i carved you and me  
i carved you and me  
i carved you and me  
in my heart

leave me somehow  
leave me somehow

i am dead  
i am dead  
i am dead  
i am dead  
i am dead

\*i'm not too sure if this is right...i think most of it is, some bits are hard to make out\*
