

# VHS Or Beta, No Cabaret!

SHAKE SHAKE SHAKE!  
Around the funeral fire  
TAKE TAKE TAKE  
A breath for every liar

No no no no ones here to see  
These things we dont believe  
These things that should be free  
These things that keep us free

1 2 3 4 out the door  
we dont need this anymore  
with our feet here on the floor  
no matter whats in store

NO CABARET!!!

PLAY PLAY PLAY  
Until your hearts desire  
STAY STAY STAY  
And we wont ever tire

No no no no ones here to see  
These things we dont believe  
These things that should be free  
These things that keep us free

1 2 3 4 out the door  
we dont need this anymore  
with our feet here on the floor  
no matter whats in store
