

Via Dolorosa, Impershit

Ruins, - death is behind,
Cries, - One more human dies,
Satan, - laughs as you rot
Someone said: Gott ist tota
Fire...
Kill them all...
One more village burnt,
One more victim dead,
No one is guilty of that,
How many times world can watch this shit?!
Liars, tormenting this world!
Cursed be, so many people are dead!

Never enough,
Always wanting more and more
Pain and blood,
When will they stop?!
April 2-nd 96, another Union is fixed,
Peoples - brothers, - Soviet tricks!
Church is blessing all these things,
Polititians - F**king pigs!
The inhuman politics is real f**king name to this!!!
Impershit!
Impershit!
Impershit!
I say -
Imperf**kinshit!!!
