

Via Dolorosa, Sweet Darling Eternal

1,2, 3, F**k!...

I can not look at your face
Full of hatred and disgrace,
I can not look at your f**kina face...
Without strength in my sight
& pain I hardly can fight
Withot sorrow from the heart
Cause I see thereas Death!
Death!
Death!
Killing you...
Abyss turning to hell...
Tears falling on dear face...
You know I see you, motherf**ker,
Too much lave seen you on my way...
But soon will come the day,
and you know that, f**ker,
Judgement Day!...
And I'll call your name!

Without strength in my sight
and pain I hardly can fight
Withot sorrow from the heart
Cause I see theres Death!
Darling Death!
Darling Death!
My dear Death, Death!
