

Vibekingz & Maliq, Magic

t's magic... yeahh

Vibekingz & Maliq

Yeah baby... we both ment to be together since the first day that I saw you

I can't take my eyes of you girl noo

You got the magic hooo damn you got it girl

Is it true that I can't have you

But I love you so, from your head to your toe

My baby blue oh it's not fair cause we're the perfect clue

To what we're gonna be too

Would have been impossible to creak the distance misery

I would give my everything to make it work for you and me

[refren:]

We both feel the magic

But could we've really have it

Would have been dramatic

I just wanna know

Girl it won't be easy

I try my best believe me

Would you do the same for me

Babe I just wanna know

I got you

And you know that it is true

Cause all I can do is thinking about you

My shorty pie let's take this risk

One look into your eyes let me know I love tonight

Would give my everything to make it work for you and me

[refren: x2]

We both feel the magic

But could we've really have it

Would have been dramatic

I just wanna know

Girl it won't be easy

I try my best believe me

Would you do the same for me

Babe I just wanna know

Oh baby blue I love you and I will always show you(yes I would yes I would yes I would babe)

Oh baby blue you got me I love the way you touch me(yes I do yes I do yes I do)

Oh baby blue I love you and I just can't let you go

Tonight i'll be yours let's take this chance

[refren x3]

We both feel the magic

But could we've really have it

Would have been dramatic

I just wanna know

Girl it won't be easy

I try my best believe me

Would you do the same for me

Babe I just wanna know

Cause you are my girl and nothing in this world means like you
