

Vicious Crusade, Patriot Games

(Lyrics by M. Schur, Dmitry Basik, Alex Vertel)

Mi rival, quin eres t que me has hecho tu blanco?
Quir llen tu espritu de este rencor a tu hermano?
Eres un carnvoro perro feroz de tus amos
Querra es, su inters, que t y yo detestamos.

Lofty aims... humanity...
Hypocritical fighting for seat.
Empowered nonentities,
How sweet your insolent deceit!
(Mean deceit)
Benefactors with swears' bait,
Stuck on the hook of civil war.
Spawn of vipers, sowing hate,
Your power bought by nation's gore.
Patriot games - what are they for?
Patriot games - I want them no more!

Ttere de imbciles, t quemaste la casa.
Qu te di tu ciego dios por comenzar esta caza?
Voy a ser tu vctima, puede ser t sers ma,
El final ser igual: una mortal agona...

Patriot games - what are they for?
Patriot games - I don't need no more!
