

# Vicious Rumors, Cerebral Sea

(Lyrics: Morgan Thorn, Geoff Thorpe)

I'm looking through your eyes  
You're staring back at me  
And we've got so much time  
To drift away...  
Here we go, on a journey sailing through the stars  
I've built a castle in my heart  
It's all for you...  
This is my dream  
So won't you swim with me?  
In this Cerebral Sea  
Where we'll be free...  
I've found the key to my mind's eye  
And I'm unlocking all the doors  
Time and space, There's a distant place  
We can call our own...  
On and on we brave the storm  
And hide inside the shadows of our haunted hearts  
On and on we sing the song  
And sail into the eye of our eternal love...  
This is my home, this is my dream  
So won't you swim with me?  
In this Cerebral Sea  
We'll be free...  
On and on we brave the storm  
And hide inside the shadows of our haunted hearts  
On and on we sing the song  
And sail into the eye of our eternal love...  
But this is my home, this is my dream  
So won't you swim with me?  
In this Cerebral Sea...
