

Vicky Beeching, Forever More

You know me completely, like no other could
You love me so freely, when no other would
Your love's a mystery
For all eternity I'll be with You

Chorus:

You have won my heart forever more
You are mine and I'm forever Yours
You are my desire, my treasure in this life
And You have won my heart forever more

One day I will see You, standing face to face
One day I'll run into my Savior's strong embrace
It's such a mystery
For all eternity, I'll be with You

(chorus)

Jesus, how I love You
Jesus, how I love You
My heart is Yours, forever more

(chorus)
