

Victims Family, Junkie

everyone's a junkie
everyone's a slave
what is your obsession?
shooting up t.v.?
living life for smack?
groveling for sex?
modern life addiction
moremoremoremoremore
everyone's a junkie
and no one can deny
but we all kill for money
buybuybuybuybuy
money sex and war
a hundred bucks a gram
scarring up our arms
new trans-am?
happiness, fame, war, sex, greed,
and cars, clothes, new t.v.'s, and
drugs and money looks like junk
to me...
