

Victims Family, Proud To Be Ignorant

I'm proud to be ignorant
I never listen to a word that you say
Because if I did I'd have to learn something new and then
uh ...
that might make me feel uncomfortable.
I destroy what I can't understand
It makes me feel so much bigger.
Because everything I know is just engraved in stone and
exactly
like I told you in the first place.
The people who don't think or believe like me
should all be gathered up on a desert island
so that I can drop a bomb on them
but wait a minute ... not me!
I'm proud to be ignorant.
