

# Victoria Adams, I Wish

I saw you outside getting out your ride  
A clk430 you got style  
As soon as I checked you out a ladies man no doubt  
From head to toe your all style and I like it  
How bout you buy me a rose cos I think  
This is gonna get a little interesting  
Lets see where this conversation goes I'm not sure that I want you to know

I wish I could right now wish that I could show you how I'm feeling you  
Boy I try I can't hide how badly I want you tonight I've gotta fight it

If you take me home get me all alone  
Nothing could happen it's just too soon  
I'm just being upfront telling you from the jump  
Not tonight I'm not that type of girl I'm sorry  
If I gave you the wrong impression I apologise from the bottom of my heart  
If talking out my head probably misled you  
I'm confused and I'm a little scared

I wish I could right now wish that I could show you how I'm feeling you  
Boy I try I can't hide how badly I want you tonight I've gotta fight it  
I wish I could right now wish that I could show you how I'm feeling you  
Boy I try I can't hide how badly I want you tonight I've gotta fight it

My mind it's playing tricks on me I'm just not thinking clearly  
This has happened too quickly I've got to slow down  
Tomorrow is another day this I'll promise if you say  
That it doesn't matter everything is gonna be ok

I wish I could right now wish that I could show you how I'm feeling you  
Boy I try I can't hide how badly I want you tonight I've gotta fight it  
I wish I could right now wish that I could show you how I'm feeling you  
Boy I try I can't hide how badly I want you tonight I've gotta fight it  
I wish I could right now wish that I could show you how I'm feeling you  
Boy I try I can't hide how badly I want you tonight I've gotta fight it
