

# Videodrone, Jesus

(shaffer/arvizu/morrill/silveria)

Jesus take me in your arms  
Jesus where do I belong?  
Jesus forgive for I have sinned  
Jesus I believe born still again

My whole life, life was kind of boring  
Where were you my kind of glory?

Jesus take me in your arms  
Jesus where do I belong?  
Jesus if you're content she's growing thin  
Jesus I'd rather suffer than pretend

My whole life, life was kind of boring  
Where were you my kind of glory?  
My whole life, life was kind of boring  
Where were you my kind of glory?

Amen, amen  
Jesus where do I belong?  
Jesus where do I belong?  
Jesus where do I belong?  
Oh jesus christ

Jesus where do I belong?  
Where were you when I needed you?
