

# Vienna Teng, Feather Moon

Feather moon  
Scarlet sky  
Living clouds  
My blinded eye  
Waters black  
Wood in snow  
Dead of night  
How bright you glow

"Chorus (x4):"  
Breathe in, breathe out  
Exhale and inhale

Exhale and inhale

Seven sins  
God of stone  
All is true  
Down to the bone  
Feather moon  
Scarlet sky  
I love you endlessly  
Not knowing why

"Chorus (x8)"

Exhale and inhale  
Exhale and inhale
