

# Vienna Teng, Momentum

Why am I walking barefoot  
Upon this road with no one around  
I close my eyes to this decision  
The night's like coffee to my tongue  
Like waking up without a sound  
I map the words out  
Maybe you will say them

Would you help me rise up  
Touch my face and watch me try to breathe again  
Would you let me do this  
Burn down the final wall

Overcome me baby  
Overcome me baby  
Overcome me baby  
Overcome me yeah  
All I'm asking is to be alive for once

Always I am mistaken  
I look for love, I find a storm  
Of all the seasons, winter befriends me  
I come to you in friendship  
And hold my breath against the snow  
What are you thinking as I gaze into you

Forgive me the confusion  
Forgive me as I realize my thoughts betrayed  
You are the answer  
Cry and smile the same

Overcome me, baby  
Overcome me, baby  
Overcome me, baby  
Overcome, yeah

All I'm asking is to be  
All I'm asking is to be alive

Overcome me (overcome me baby), baby (x2)  
Overcome me (overcome me baby), baby  
(overcome me) (x2)  
Overcome (x4)

All I'm asking is to be alive
