Viki Gabor prezentuje piosenkę "Girl Like Me" z płyty "Terminal 3" (premiera 21 czerwca 2024 r.).

One more time
He'll be on my line daily
Begging me for one more try
Swear he'll do me differently
Already had you a chance, boy too bad
Know that you miss all of this so bad
Sorry but you ain't got what it takes
To be with a girl like me

Cuz i don't need no designer
They see me, put the price up
I don't need you to drive me home
(Valet on the way, you know?)
Don't want all of your diamonds
Check the wrist, got it all on my own
I'm not trying to show off, no

But boys like you, like you, like you
Want girls like me, like me, like me
Until they meet a girl like me
Cuz she don't want what you got, no, no
Too many of the boys like you want girls like me
Until they meet a girl like me

You say I'm what you want
When I'm all on your screen
But i know if we meet
You'll be st-st-stuttering
I'm not the type to impress easily
That game, it just won't work with me
You say I'm what you want want, but honey
You ain't met a girl like me

Cuz i don't need no designer
They see me, put the price up
I don't need you to drive me home
(Valet on the way, you know?)
Don't want all of your diamonds
Check the wrist, got it all on my own
I'm not trying to show off, no

But boys like you, like you, like you
Want girls like me, like me, like me
Until they meet a girl like me
Cuz she don't want what you got, no, no
Too many of the boys like you want girls like me
Until they meet a girl like me
