

Viktor Lazlo, Breathless

You make the chills run down my spine
boy
how it feels good!
I'm in your body
you're in mine
the way I love it.
This time
I think I'm in love

this is more than a celebration up above.

Breathless
breathless
breathless

I'm breathless
breathless

Honey
you're the sweetest man I had
and I wish that you will everlast

Honey
I'm breathless
breathless

I'm breathless
breathless
breathless

Honey
you're the sweetest man I know
and I wish that you will never go

Baby
I'm breathless
breathless.

Baby
the softness of your hands rolling on my skin
And when you come to an end
boy
how it fills me!
This time
i think I'm in love

this is more than celebration up above.

Breathless
breathless
breathless
breathless
breathless

Honey
you're the sweetest man I know and I wish that
Baby
I'm breathless
I'm breathless
breathless
I'm bre
Honey
you're the sweetest man I know and I wish that

Breathless
breathless
breathless

I'm breathless
breathless
