

Viktor Vaughn, Open Mic Nite, Pt. 2

respect!

it's v what the heck?

y'all know who's the best, might as well cut the check
they didn't know the face, but by the name they knew him

racist against rappers, thay all look the same to him

they used to beg him not to egg them on halloween

told them holler back w/ the suede pumas, dollar green

y'kna mean? heated up to the temperature tar boil

y'all just gawk like gargoyle

mind your manners- or be r.i.p.

local bartenders call him barfly V

he used they CDs as coasters, harrassed thier street team

and graffitied up thier posters

don't appear too drunk

or let a stare turn into a "yeah, you- punk!"

told the host "make sure he last, yo"

any other order might be a fiasco

weed flow like cash flow

on the first of the month

for broke n***as that's thirst for the blunt

he kept a pocket full of poseys

always had a rocket, why's she so nosey?

looking at my Seiko, it's about to be Waco

and it won't be televised and you can make sure

turn jake to bacos

money over snakes hoes
