

Vilde, Titans

Louder than a siren, oh yeah
Prouder than a lion, oh yeah

Looking over my shoulder
Out into the darkness
Am I too paranoid?
I guess it's irrational
Always ready to run if I'm walking alone
Am I the only one facing the madness?
Feeling this anxious?

Heartbeat racing, I feel naked
And I hate it

I, I just wanna live like the titans
Stand up and say
I'm not afraid
I'm scared of nothing
And I, I just wanna walk with the giants
Spend all my days
Broken but brave
Stronger than anything

Louder than a siren, oh yeah
Brighter than a diamond, oh yeah
Prouder than a lion, oh yeah
Oh yeah, you'll see me comin', 'cause I
I just wanna live like the titans
Stand up and say
I'm not afraid

If I had armor I'll be ready for action
Out there on the battlefield
Collecting medallions
I am not gonna hide, now I'm pickin' a side
Ready to fight for life
Doin' it my way
I'm takin' the highway

Heartbeat racin', though I hate it
I can take it

I, I just wanna live like the titans
Stand up and say
I'm not afraid
I'm scared of nothing
And I, I just wanna walk with the giants
Spend all my days
Broken but brave
Stronger than anything

Louder than a siren, oh yeah
Brighter than a diamond, oh yeah
Prouder than a lion, oh yeah
Oh yeah, you'll see me comin', 'cause I
I just wanna live like the titans
Stand up and say
I'm not afraid

Louder than a siren, oh yeah
Brighter than a diamond, oh yeah
Prouder than a lion, oh yeah
Oh yeah

I, I just wanna live like the titans
Stand up and say
I'm not afraid
Stronger than anything

Louder than a siren, oh yeah
Brighter than a diamond, oh yeah
Prouder than a lion, oh yeah
Oh yeah, you'll see me comin', 'cause I
I just wanna live like the titans
Stand up and say
I'm not afraid
