

Village People, Just A Gigolo

I'm Just a gigolo
Won't some sweet mamma
come and take a chance with me
cause I aint so bad And I'll sing out, sweet love songs
All of the time
She will only be, only be
Bip bozadee bodzee bop le bop I aint got nobody
oh and theres nobody cares for me
theres nobody cares for me Hummala bebhuhla zeebuhla boobuhla
hummala bebhuhla zeebuhla bop I ain't got nobody, nobody,
nobody cares for me
Nobody , theres nobody cares for me
I'm so sad and lonely,
oh lonely, oh lonely, lonely lonely Won't some sweet mama come and rescue me
cause I aint so bad And I'll sing out
sweet love songs
all of the time
she will only be, only, only, only only be
baby, sugar darling I aint got nobody baby
And there's nobody, there's nobody
there's nobody theres nobody
there's no one, there's no one
nobody, nobody, nobody
nobody cares for me

everywhere I go
people know the part
I'm playing Paid for every dance
selling each romance
Oh what their saying There will come a day
And youth will pass away
What will they say about me When the end comes I know
they'll say just a gigolo
Life goes on without me I'm just a gigolo, everywhere I go
people know the part I'm playing
paid for every dance
starting each romance
oh what their saying And there will come a day
And youth will pass away
What will they say about me When the end comes I know
They'll say just a gigalo
Life goes on without me Cause I aint got nobody
oh and theres nobody cares for me
theres nobody cares for me I'm so sad and lonely
sad and lonely sad and lonely
